## Pride in Cleadon Park

July 2009, Issue 1

### Welcome to the first Junior Pride in Cleadon Park newsletter, designed by the Reception Class at Ridgeway Primary School.

It is hoped that this newsletter will become a permanent supplement of the main Pride in Cleadon Park newsletter and that as many children as possible will have the opportunity to help design and write it.

The themes for this newsletter are living and going to school at Cleadon Park and what the children enjoyed about the regeneration workshops recently delivered in their class.

This is what they had to say.....

I like playing with Ben and Sam the dogs that came into school during the employment session. I liked walking and running with them.

I like playing with the big blocks with Faye, Megan and Louise and we build a big castle together!

My favourite school dinner is mince and dumplings!!

I like the café in the classroom.

I like the wedding dress in the classroom. I put it on and pretend that I am married.

I like going home for my tea and I like chicken and dumplings!!

I like my bedroom because it has princess wallpaper!

It's my favourite school because I play here with my friends.

I like watching Ben 10 at home.

I am going to Disneyland!

I have a dinosaur bedroom.

I like school and my best friend is Hannah.

I like playing with Ben, Leon and Nathan on our bikes!

I am going to Space for my holidays!!!!

I like school dinners and fish, chips and peas is my favourite!

I like plan, do and review!!

# EMPLOYMENT WORKSHOP

This is when Sam, Ben, Kendal and Brecon came into school from Pets As Therapy.
